INFORMATION LETTER

Dear colleagues!

Shakarim University of Semey city is inviting young researchers, school teachers, as well PhD and master students to take part in the **Republican scientific and practical online-conference entitled "Language competence as a strategy for intercultural interaction in the era of globalization"** to be held **on February 25, 2022.**

The conference **is aimed** at consolidating domestic theorists and practitioners in the field of intercultural communication and teaching foreign languages to solve pressing problems of language education at school and university, as well as to exchange experience in the field of the latest achievements of linguistic and pedagogical sciences.

Key directions of the conference:
1. Theoretical aspects of language competence in the context of globalization
2. Practical experience and prospects for strengthening intercultural communication

By the results of the conference, an electronic collection of the proceedings of the Republican Scientific and Practical online Conference is planned to be issued (registration requirements are presented in Appendix 1).

The official languages of the conference: Kazakh, Russian, and English.

To participate in the conference, please follow the link to fill in Participant Form: https://docs.google.com/forms/d/e/1FAIpQLSc7jbzF99jOfoMRciHLnIwxsHQUkaY7898mB9vxWuj1LRQsig/viewform?usp=sf_link **Deadline for Registration -15.02.2022**

Abstracts of articles are accepted until **February 20, 2022** by e-mail: conference_2022@mail.kz

The file should be sent in *.doc format, naming it by the surname and initials of the first author and specifying the title for the section.
Abstracts of manuscripts are recommended to arrange in accordance with the requirements: no more than 3 pages, the number of authors - no more than three.

There is no registration fee for participation in the online conference!

Participation in the conference is via online conference services (the conference ID and access code will be sent to the participants additionally)

The MRNTI index (international scientific and technical information rubric) is indicated from the left edge of the page. To assign the MRNTI code to an article, you need to use the website www.grnti.ru).

Dear authors!

Submissions that do not meet the requirements are not to be published. Abstracts are expected to be published in the author's version and do not undergo additional proofreading. If there are gross errors in formatting, Conference Committee is not responsible for the quality of submitted manuscripts and fully entitled to reject articles.

Our gratitude for your interest in our conference!
